Hi everyone,

Please find attached notice regarding the LAVic registration packs.

They are not ready this weekend as was expected but I will let you know when I receive notification from LAVic.

Thanks

SUBJECT: Registration Packs

The office recently advertised that registration packs would be available around now and for Regional locations collected this weekend. Unfortunately many extenuating circumstances have caused their delay including;

- Ongoing partnership discussions with McDonalds and other providers.
- Delivery of both the LAVic & Jetstar patches
- No rooms left in Bendigo (All Seasons) for packing and storage for Regional Centres delivery
- Items taking longer than anticipated for delivery.
- Need all items together rather than separate pick-ups as advised by Centres in previous seasons

Based on this we will revert to Metro Centres collecting from within Melbourne and LAVic sending to Regional Centres via Australia Post

We will confirm these details once finalised. We apologise if this causes disruption to your registration plans and processes.
